**All Exhibitors to please ensure you comply with the relevant authorities advice over movements and biosecurity.**

### **Cattle Section Additional Information**

Note: Any cattle exhibited at the Show require a Passport to be presented .

All Cattle must have official identification tags fitted in line with current regulations and passports must be presented on show day. (The Signature of the secretary or Chief Steward for the movement will suffice) **NEW CPH 21/677/8107**

**The TB testing exemption covering cattle movements to agricultural shows was revised on 1st July 2012 as follows:** Pre-movement testing of cattle in high TB risk herds (i.e. herds with a routine TB testing interval of 1 or 2 years) will be required for movements to shows if cattle will be at the show for more than 24 hours and/ or housed i.e. kept inside at the showground. Previously, pre-movement testing was not required when animals were moved to shows provided they were either returned to the farm of origin or went to slaughter after the show. The exemption will remain for movements to shows where cattle are not held for more than 24 hours and are not housed. A clear pre-movement test is valid for 60 days from the date of the test. Therefore animals can be moved to more than one show during that post-test period provided that the last movement back to the home premises – or to slaughter, if applicable – is completed within 60 days of the test date. Owners must ensure they do not book a TB test to take place within 60 days of completion of the previous TB test as this will not be regarded as an authorised test. Hodder Valley Show cannot be held responsible in regard to TB testing, it is up to the exhibitor to ensure correct procedures have been followed. For general information on pre-movement testing, please see the Defra website: <http://www.defra.gov.uk/animal-diseases/a-z/bovine-tb/animal-keepers/testing/>

**From 2016 Post Movement TB Testing has been introduced in certain circumstances.** Hodder Valley Show is not currently affected as the cattle are not on the showground for more than 24 hours and are not housed in a building with sides on. We are therefore exempt from pre and post movement testing. Please note Hodder Valley Show is not responsible if these circumstances change.

Cattle must only be shown in **ONE** class (excluding YFC) and then forwarded to the relevant specials as necessary.

## Handwriting

### Years 3&4 Handwriting

#### **“I Did a Bad Thing Once”**

I did a bad thing once.

I took this money from my mother’s purse

For bubble gum.

What made it worse,

She bought me some

For being good, while I’d been vice versa

So to speak – that made it worser.

#### **“Picking Teams”**

When we pick teams in the playground’

Whatever the game might be,

There’s always somebody left till last

And usually it’s me.

I stand there looking hopeful

And tapping myself on the chest,

But the captains pick the others first,

Starting, of course, with the best.

Maybe if teams were sometimes picked

Starting with the worst,

Once in his life a boy like me

Could end up being first!
